ASSIGNMENT OF INVOICE

The undersigned hereby acknowledges and agrees that _____ ("Lessee") has placed an order with _____ ("Vendor") for the delivery and installation of certain equipment ("Equipment") as outlined on the attached invoice ("Invoice") which has a total Equipment sale price of \$_____.

Lessee has elected to assign its right to purchase the Equipment to ABC Capital Corporation for the purpose of entering into a lease transaction between ABC Capital Corporation, as "Lessor", and Lessee, as "Lessee". ABC Capital Corporation's obligation to pay the sale price indicated on the invoice is conditioned upon the Lessee accepting the Equipment under its lease with Lessor. Nothing contained herein shall effect to obligation of Lessee to pay Vendor for the Equipment in the event the Invoice is not timely paid by Lessor as a result of Lessee failing to accept the Equipment under its lease with Lessor

In connection with this lease transaction and ABC Capital Corporation's payment to Vendor of the Equipment sale price, ABC Capital Corporation has appointed Lessee as its nominee to receive the Equipment. Vendor and Lessee represent and warrant to ABC Capital Corporation that, upon payment of the sale price by ABC Capital Corporation to Vendor, title to the Equipment shall vest in ABC Capital Corporation free and clear of all liens, claims and encumbrances except the leasehold interest of Lessee pursuant to the lease transaction.
